(I) Type & Nature of Business:

Scientific, logical, factual, and applied consultation based on creation of scientific confidence, data oriented, tested econometric models, incorporating 45 years of research, international and domestic

consultations, commercial and refereed (scientific) publications and years of teaching at all levels of doctoral, masters, Executive MBA, undergraduate, (and high school teaching) programs around the world. It is designated as a non-profit organization, where operations are valued and priced at break-even conditions. In another earlier established primarily education-based contribution, RMDHEI, LLC, has provided - and will continue to provide - research skills, research-based consultation, scholarship funds, and food-based as well as health-based financial allocation for needy children and families.

(II) Mission Statement:

At RMH Econometrics/Business Management Consultants, Inc., the main mission is "Empowering and Liberating as many people and businesses as possible, through expansion of transferred applied knowledge and skills in achieving much more stable and higher quality lives. We believe that "Motion hinges on you; promotion comes with a world of earned opportunities, applied knowledge, and expansion of potentials for serving oneself and humanity at large."

(III) Guiding Values:

Liberating through empowerment of humans and humane societies through effective planning, critical thinking, genuine service, honesty, courage, equity, humanity, commitment, perseverance, factual assessments, and effective communications. Business ethics must prevail and shine throughout all endeavors.

(IV) Knowledge Base:

We seek the highest levels of competency, signified by highest possible levels of education, and certified high performance and experiences. A diversified base of knowledge/skills and experiences must be the most precious capital at our firm. Our partners in pride, while dynamically evolving into consulting professionals, have continuously been striving to enjoy higher accumulation of human capital.

 - Significant research topic selection
 - Abstract, winning literature review
 - Model making
 - Data compilation, transformation, purification, and data analysis
 - Empirical applications of hypothetical models and frameworks
 - Successful publication
- Applied Management and Decision Sciences, Hamzaee’s 22 years of doctoral teaching and field of research and consultation.
- Sustainable Monetary and Fiscal Policy Conducive to National Currency within the Foreign Exchange Markets
- Rescuing Policy Designation and Implementation for Weak-to-fading Businesses
- Infographics, Data Management
- Econometric Application in Responsible Journalism
- Applied Blockchain Technology Management, Infographic Aspects of Artificial Intelligence
- Big Data Management: Data collection, storage, transformation, communication, and AI Model Making
- Data Sovereignty Conducive to Modern Corporate and Private Banking: Dynamic Asset, Liability, and Balance-Sheet Management
- Applied Marketing Analyses, infographics, data management, applied econometrics and computer programming: RATS, Minitab, etc.
- Optimal Academic Curricular Design Conducive to Trilateral (University-Industry-Student) Growth and Sustainability
- The 5-10 Winning Strategies, beyond Key Performance Indicators (KPIs)

(VII) The Three Categorical Qualifications Seeking in Prospective (Possible) Recruiting Directors (when possible):

Category A: Academic Strength

College degrees are required but M.S./M.S./EMBA, and Ph.D. degrees will be strongly preferred.

- Actively involved in research, consulting, national, regional, and international conferences, and some teaching in the last 4 years

Category B: Professional Service Strength

- Civil Service, Professional Job Performances, Managers, Co-operative Services.
- Effective evidence of success in constructive service in line with our Mission and Guiding Values, as defined above
- Experienced in developing a support network for fund raising and provision of support to the needy families
- Dedication to all effective ways of fighting poverty

Category C: Humanity & Human Rights Strength

- Dedication to all effective ways of fighting poverty
- Dedication to people's welfare enhancement within all lines of life & livelihood
- Effective evidence of success in constructive service in line with our Mission and Guiding Values, as defined above
- Experienced in developing a support network for fund raising and provision of support to the needy families

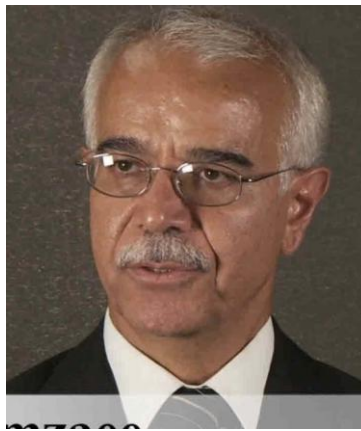

(VIII) The Non-directorship Compensation:

- Commensurate with market conditions and budgetary constraints at the time
- Extra compensation for successful marketing and earning contracts up to 10% of the earnings from each contract
- Attracting charitable contributions, when applied, given relevant extension of the organizational services
- Thriving to obtain the "Sharing Partnership" of the firm in a gradual succession, assessed through our semi-annual evaluations, initiated by partners' evidential self-evaluation, and completed by *RMDHEIC*'s President.

(IX) The Firm's By-laws

4. Mr. Joseph David DeNoon, Customer Relations/Services & Our Board Member

Overland Park, Kansas, U.S.A.

Email: devonjoseph@gmail.com

- Our corporation will recruit new professional consultants and administrative members.
- In the future when Board members' terms are expired, new members will be elected by the existing Board members and the president of the organization.
- While Board of Directors' hours of Board Meetings services will be paid within the range of \$200 – \$300 per hour, to avoid any legally-constraining conflicts of interest complexities, the corporation laws prevent other forms of salaries and “employers’ salaries” or alike.
- ***RMHEBMC, Inc.*** is a nonprofit organization with limited liability, in which no directors, consultants, contractors, grant providers, and affiliates are responsible for any financial losses and/or lack of expected supply of services, as declared by the organization.
- Among many designated responsibilities, the ***RMHEBMC, Inc.*** President will strive to write specialized grant applications within the options of “**State of Kansas**”, “**All U.S.A.**”, and “**International**”, through Grant Watch, Inc., and/or other future advising entities.

The Types of Services Provided by *RMHEBMC, Inc.* and/or Its Operational Subsidiaries

- Academic Scholarships to support educational advances at all levels
- Research Scholarships to support Research & Development
- Minimum Standard Living Related Grants in fighting poverty
- Family support is not inclusive of Disaster Relief funds, but more focused on child support, medicine, and family financial failure.
- Free of charges seminars at all advanced, intermediate, college levels, and financial training and investment.
- Providing advanced seminars at local, regional, national, and international conferences on, e.g., “What Is a Scientific Research All About?”, or “How to Publish Scientific-Journal Research Articles.”
- Providing funds for promotion of human health development, including both physical & mental health.
